

Caid Arts & Sciences Fair & Pentathlon

A Kingdom of Caid event - April 25-26, 2009

Hosted in the Barony of Altavia - Cal State Northridge

Craftsman Village

Bring your Arts & Sciences tools and materials, and demonstrate them in our demo village. We are providing this arts demo for the new College of St. Fermin at Cal State Northridge to share our knowledge with the general public.

This is also a chance to see the talented craftspeople of Caid at work, learn a new technique in your own craft, get some work done on those unfinished projects and visit with those who share your interest in the Arts & Sciences!

We would like a Spinning Wheel Circle, Forges, Cooking demonstrations, Weavers, Embroiderers, Leatherworkers, Calligraphers, Illuminators, Metalworkers, bubbling Dye pots, Woodworkers, and more! Contact us if you want to be part of the Craftsman Village either or both days.

Tell us what you want to demo and what you will need! _____

Craft _____

How many people can assist you?

_____ Demonstrating the craft

_____ Sharing and teaching others the craft

_____ Greeter, explaining the craft, its history, showing books and examples of the craft

What environment do you need? _____

Water (Sink? Hose?) Grass Tables _____# Indoors or Outdoors preferred

What special equipment are you bringing? _____ Fire (Kitchen? Forge?)

Can you offer Make-and-Take kits for a nominal cost paid by each student? _____

What SCA vendors would be PERFECT to have right next to you, selling items that you are demonstrating:

What else do you need or can you offer to the Craftsman Village? _____
