## **Making the Dish**

How did you make the dish? How were your ingredients and techniques similar to – or different from – those used in period, and why? Pictures of your process are encouraged.

Did you have any challenges making the item? If so, how did you resolve the issues?

Would you do anything differently next time?

Anything else you'd like the judges to know about making this dish?

## Sources Used

List the sources you used while making this dish. For books, articles and other hard copy sources please provide: Title, Author, Publisher, and Publication Date in a consistent format. For Web sites include name of site and complete URL. For class handouts, include the class name, teacher name, and date. For images, include the artist, location (museum), and year.

If your documentation includes specific information from one of your sources, cite that source next to the statement. For example: “This dish was only made with beef.” (Author name, page number).
